Hello Journey Families!

Remembrance Day: Thank you very much for sharing pictures and details about your loved ones who have or are serving our country. Students watched the pictures of these loved ones while Mr. Froess played *Last Post* and *Reveille* on his trumpet during the Remembrance Day Assembly. We are very proud of the Grade 8 Band for playing *O Canada* while the whole school got up and sang with them. A big thank you goes out to Ziza and Robbie for organizing and leading the Cadets, Scouts, and Guides into and out of the assembly. It takes courage to do what all these students did to commemorate Remembrance Day at school.

Communicating Student Learning: you have hopefully received information from your child's homeroom teacher to give an informal update about how your child is doing in certain curricular areas. Student-led and parent-teacher conferences are happening and may look different than they have in the past. Your child's teacher may have connected with you by email or a phone call, or maybe you have set up a time to meet in person or online. If you had not received any information by the end of November, please contact your child's teacher directly.

Early Dismissal is on Thursday November 23rd at 11:34. Buses will start arriving at 11:58. Teachers will be available for conferences from 12:11 onwards until 2:58. Please check with your child's teacher for conference times and dates.

Clubs at JMS: We are so fortunate to have amazing teachers volunteer their time to host the following clubs:
