Testimonials from Parents and Friends:

"This program is not only giving to the children but it works to ensure the future of musical presence in this community in the next generation."

"I sincerely hope the Harmony Project can continue to grow and expand, allowing new groups of children and teachers, to start on a wonderful journey of learning together so that the benefits of a musical education can be present in their future."

- Challenging, fulfilling, long lasting effects
- Inclusive, welcoming and encouraging.
- Child-friendly, accessible, & FUN
- Music is life!
