ABOUT THE SESSION

Join us as we share practical strategies, up-to-date information, and key focus areas to help keep children safe and supported in their online experiences. With your guidance, your child can develop a strong foundation in digital citizenship—learning to navigate the internet safely, respectfully, and responsibly. School staff and District staff will also be present to take questions and share ways that Journey School Staff and The District Safe Schools team supports safety at Journey Middle School.

ABOUT SST

Safer Schools Together (SST) specializes in enhancing school safety by providing comprehensive training, services and tools that address both digital and behavioural threats.

DATE:
Tuesday, Nov 18th

TIME:
6:00pm–7:30pm
